Newark, New Jersey

Dear Judge Buck:

I wish to thank you most sincerely for your kind invitation to the students of the Gifted and Talented class to attend the April 20, 1983, performance of the Philadelphia Dance Company at the Newark Symphony Hall.

That cultural experience will long be remembered by the students. It is indeed important that we, as educators, continue to broaden the lives of our students by exposing them to as many activities beyond the usual school programs as we possibly can.

Thank you again for giving our students this opportunity.

Very truly yours,

Maude F. Patterson
Principal
